**Modular Building Systems Pty Ltd (MBS) manufacture modern, fully equipped, well designed structures for the Government education sector, the private education sector and all other providers of training and further education.**

Our range of education solutions include:

- | Classrooms
- | Childcare centres
- | Universities
- | Administration blocks
- | Music rooms
- | Kitchens
- | Science labs
- | Toilet blocks
- | Community centres
- | Recreation facilities
- | Multi-storey schools
- | Libraries/halls
- | Canteens/cafeterias
- | Relocations and refurbishments

Save on expensive management fees and order directly from MBS. From conception to off-site construction through to site installation and commissioning, MBS can provide your complete building solution.
